

# Health and Social Care NVQ Level 2

RESPONSE Industry Skills and Training

This Level 2 qualification is suitable for Health Care Assistants; Home Care Assistants; Care workers in any capacity involved in the day to day care of individuals

These programmes are delivered and assessed in the workplace. An assessor will visit the employees to develop a tailored training and assessment plan. Assessment is extremely flexible and is arranged in negotiation between the employer, employee and college assessor.

The duration of the programme varies, but ideally would be completed within 6-9 months

## Health and Social Care Level 2

To achieve a full award, candidates must complete six units, four mandatory units and two optional units.

### Mandatory Units

- Communicate with and complete records for individuals
- Support the health and safety of yourself and individuals
- Develop your knowledge and practice
- Ensure your own actions support the care, protection and wellbeing of individuals

### Optional Units

- |  |  |
