

ADVANCED APPRENTICESHIP

Carpentry & Joinery

The Advanced Apprenticeship is for those wishing to further develop their skills as a qualified Site Carpenter or a Bench Joiner. It covers some supervision aspects in relation to the craft and therefore allows progression to a general supervision qualification.

The entry criteria is prior achievement of the Apprenticeship Framework Certificate at Level 2 and employment in the trade.

The duration of the course is one year and is delivered on a day release basis. In order to complete the full apprenticeship you will need to complete the following:

- NVQ Level 3 in Wood Occupations (specialising in Bench Joinery or Site Carpentry)
- City & Guilds Advanced Construction Award (ACA)
- City & Guilds Key Skills Level 2 in Communication and Application of Number

NVQ Level 3 in Wood Occupations:

Evidence for the NVQ is collected through a portfolio log, site evidence or on-site assessment. In addition, there are job knowledge tests for each unit.
